

## **FLI Workshop Series – Essential Knowledge of Furniture Product & Material**

### **Course Objective**

This workshop offers intensive training in furniture product knowledge to equip participants with knowledge on furniture contextual studies, material characteristics/properties, production, maintenance and other factors of consideration during the designing, maintaining and manufacturing process.

### **What You Will Achieve**

Participants who successfully complete the workshop series will gain an adequate knowledge on identifying furniture styles, characteristics, selection of materials used in furniture production and basic processes of furniture production. A Certificate of Attainment will be issued upon successful completion of the 4 modules.

### **Duration & Structure**

Workshops are conducted on Friday afternoons, 2pm to 6pm at SFIC. Each session covers a specific module. Please refer to workshop schedule for the upcoming sessions.

**Module 1: Material Study & Technologies: Evolution of Designs & Solid Wood Furniture**

**Module 2: Material Study & Technologies: Wood Substitutes Veneers & Laminates**

**Module 3: Material Study & Technologies: Leather, Foam & Furniture Finishes**

**Module 4: Material Study & Technologies: Other Materials used & their Properties**

### **For Whom**

Marketing and customer servicing employees, front-line staff, furniture designers, R & D personnel, production staff and those who are keen to widen their furniture product knowledge .

### **About The Trainer**

A veteran in the furniture and wood business, Mr Bob Leong brings with him over 30 years of hands-on, leadership experience in in two of the largest furniture manufacturers in Singapore. He has also been actively involved in the growth and development of the local furniture industry, having served on the SFIC Executive Committee and various government level Committees. From 1993 to 1995, he became the first Executive Director of SFIC.

When he retired to set up his own consultancy firm, he remained as an adviser to SFIC's "Good Furniture Retailer Scheme" and also acted as an Honorary Consultant for CASE Singapore.

With his all-embracing experience of the furniture industry, from the primary stage of designing, to manufacturing, international marketing and distribution, participants can definitely look forward to 4 insightful and practical sessions with Mr Leong.
