SFIC's primary role is to promote the interests of its members and of the Singapore furniture and furnishings industry.

For 35 years, SFIC has helped its members to adapt to changes in the business environment by introducing trade, talent, design development and business innovation activities, as well as upgrading business capabilities. Revolving around SFIC's 3i strategic framework – Improve, Innovate, and Integrate, all of the Council's programmes aim to grow the local furniture and furnishings industry and ultimately, to strengthen the 'Singapore brand' globally.
